

Aims and scope

Neuroscience publishes papers describing the results of original research on any aspect of the scientific study of the nervous system. Any paper, however short, will be considered for publication provided that it reports significant, new and carefully confirmed findings with full experimental details. For *Instructions to Authors* see pp. I–IV at the back of this issue.

The Neuroscience Website

The *Neuroscience* website can be found at

<http://www.neuroscience-ibro.com>

The site provides full information on the journal, including free access to the abstracts of the past 5 years of *Neuroscience* articles. There you can also sign up to receive Table of Contents email alerts for all forthcoming issues of the journal.

Authors should note that all accepted *Letters to Neuroscience* will be published on the *Neuroscience* website within 15 working days acceptance. Full details on how to submit a *Letter to Neuroscience* can be found in the *Instructions for Authors*.
